[Project report online](#)

www.porr-group.com

A place to be comfortable.

The foundations were laid in a combined system of large-diameter piles - DN 600 and DN 800. The load-bearing construction of the roof consists of a monolithic reinforced concrete construction.

Impressions

Image notes

1

Well-being in old age.

Spend the twilight of your life in a contemporary ambience surrounded by green space.

2

Comfortable ambience for seniors.

Open, light-flooded spaces distinguish this retirement home.

3

Free view.

Open spaces and transparent elements create a feeling of security.

4

Stylish living.

Clean spatial lines and a colour guiding system help residents navigate the building.
