Award-winning offices.

This architecturally unusual office complex has already become a landmark in the Prague district of Chodov, and was awarded first prize in the “Best of Realty 2004” architecture competition.

Impressions

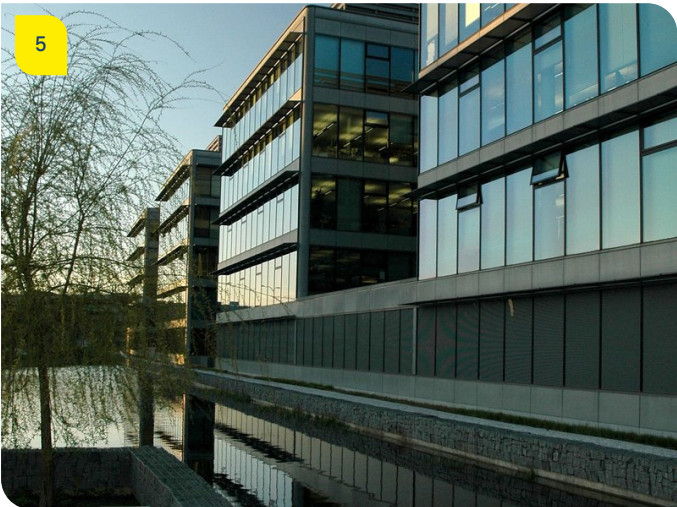

Image notes

1

Office in the green.

The offices are set in picturesque, park-like surroundings.

3

New landmark for Prague.

The project comprises a total of twelve modern buildings.

5

A peaceful space.

The water features and benches of the grounds offer visitors the perfect space to enjoy some outdoor peace and relaxation.

7

Effective waterworks.

Water elements played an important role in the design of the exterior areas.

2

Outstanding architecture.

The project was awarded first prize in the “Best of Realty 2004” architecture competition.

4

Well connected.

The discrete sections of Building 07 are connected by a building bridge.

6

Tasteful design.

Green hillocks and stone elements create a harmonious overall effect.

8

The final touch.

The entire The Park project was concluded in 2008 with the completion of Building 12.
